9.00	X	Welcome and introduction by Sebastian Bykuć		Wrap-up and introduction to the day 2		Wrap-up and introduction to the day 3		Wrap-up and introduction to the day 4		Wrap-up and introduction to the day 5		presentations of macro- and micro-scale groups, closing of the summer school	
10.30		Frans		macro-scale group (Poul)	micro-scale group (Gerwin)	Frans		macro-scale group (Benham)	micro-scale group (Gerwin)	macro-scale group (Benham)	micro-scale group (Gerwin)		
9.00		macro-scale group (Poul)	micro-scale group (Gerwin)	macro-scale group (Poul)	micro-scale group (Gerwin)	Yoram		macro-scale group (Benham)	micro-scale group (Gerwin)	macro-scale group (Benham)	micro-scale group (Gerwin)		
10.30		LUNCH											
lunch		LUNCH											
13.00		macro-scale group (Poul)	micro-scale group (Gerwin)	macro-scale group (Poul)	micro-scale group (Gerwin)	macro-scale group (Benham)	micro-scale group (Gerwin)	Daria		macro-scale group (Benham)	micro-scale group (Gerwin)		X
14.30		macro-scale group (Poul)	micro-scale group (Gerwin)	Frans		macro-scale group (Benham)	micro-scale group (Gerwin)	Yoram		macro-scale group (Benham)	micro-scale group (Gerwin)		
14.30		macro-scale group (Poul)	micro-scale group (Gerwin)	Frans		macro-scale group (Benham)	micro-scale group (Gerwin)	Yoram		macro-scale group (Benham)	micro-scale group (Gerwin)		
16.00	LUNCH												
evening	arrival and get together dinner (in the hotel)	dinner (in the hotel)		social event and dinner (in the hotel)		dinner (in the hotel)		dinner (in the hotel)		farewell dinner (in Warsaw?)			

remarks:

- workshop on EnergyPLAN (starting with an introduction to EnergyPLAN and a set of exercises – day 1; the next days participants will work on real data of a given region)
- workshop on optimisation techniques and control of micro-grids (the more detailed schedule will follow)
- series of workshops on non-technical issues (such as: academic career of young people, preparing articles and publishing, how to profile yourself on the web, entrepreneurship of researchers...)
